LIMA CHRISTIAN SCHOOL

Dear Parents,

We thank you for your willingness to allow us to partner with you in the training up of your child. It is a privilege to be part of the education of your child as they learn to live out their faith in every aspect of their lives; academically, physically, socially, and spiritually.

As you consider re-enrollment for next year, forms are ready to be downloaded on the school's web-site. Forms should be completed and returned to LCS prior to April 1st in order to receive the discounted early enrollment fee of \$125.00 per student. Re-enrollments received after this date will pay the \$200.00 fee.

As you review the re-enrollment information you will notice some changes for the 2010-2011 school year. Increasing expenses, most notably in the area of health care, as well as decreases in non-tuition income (Title IV and other state funds) sources have forced a tuition increase of 4% for the upcoming school year. We understand the challenge that this places on families, but believe that it is necessary for continuing to meet the basic financial responsibilities of the school. It is our belief that, despite the increase, the school's plan for educating the whole child is a value that cannot be matched by other schools in the area.

We are continuing to investigate ways to increase enrollment and improve the school's exposure. Remember that the school offers a \$250.00 credit to your account for each new student you refer that enrolls. We are also offering increased financial assistance through the Special Circumstances Fund. Families need to apply to qualify for assistance; information is available online.

We thank you for your support, both through the enrollment of your children but also through your prayers and encouragement. We look forward to the opportunity to continue to work with you and your children in providing a Christ-centered, biblically oriented education.

Thank you and God bless you and yours!

In His Service,

Mark McClelland
Principal
